The CLS is one of the most important Mercedes of the 21st century since it pioneered the 4-door coupe design that is extremely popular today. While the sleek coupe sparked controversy when it first came out, it's now quite sought-after on the secondhand market. Unfortunately, they are often in relatively poor condition, primarily due to high maintenance-related expenses. Luckily, a good Mercedes-Benz CLS workshop manual is all you need to take care of and bring your CLS back to its original glory. Indeed, a Mercedes-Benz repair manual will provide you with troubleshooting charts, repair procedures, step-by-step instructions, torque specs, and wiring diagrams — everything you need to fix your car and keep the repair shop at bay. The CLS has seen three generations so far, and considering the ever-growing popularity of SUVs in the current market, it's safe to say that it won't die any time soon. CALL US AT847-961-9200**FREE AIRPORT PICKUPS FROM O'HARE/MIDWAY**100% CUSTOMER SATISFACTION!!100% HASSLE FREE!! *Please remember, every one of our cars has been enjoyed by their original owners, and these are not factory-new cars. This means they have actually been driven, and regardless of the level of care, every car will exhibit some wear-and-tear. Our vehicles are advertised with the current mileage at the time of listing, so mileage at the time of sale may vary due to test drives, transportation for reconditioning, etc. We go above and beyond to be as accurate as possible in our listings and descriptions, but remember, we are still human just like you. Cars leave the factory with unattached accessories (i.e. floor mats, extra keys, owners manuals, headsets, remotes, etc), and while it would be ideal to have all original accessories included with every car, this is not always the case. We will note in our listings any accessories that will be included, and provide a picture within the listing of all accessories. We do all within our power to avoid mistakes or misprints, so if you see any inaccuracy within our listing, we only ask that you bring this to our attention so that we can immediately rectify the information. We cannot be held responsible for any purely accidental inaccuracies. Since our ultimate goal is 100% customer satisfaction, we ask every customer to verify the listed equipment at the time of purchase with their salesperson. Please do not make any assumptions regarding condition or equipment. If you have any questions or concerns, call us at 847-961-9200 and ask to speak with one of our Sales Specialists. We also ask that that you not misinterpret anything in this disclaimer, as it is intended to be understood exactly as it is written. We are here to provide only the very best in quality and customer service. Unless otherwise stated in the vehicle description, this vehicle is being sold "AS-IS". No representations or warranties are made by Seller, nor are any representations or warranties relied upon by bidders/buyers in making bids/offers. Manufacturer's warranties may still apply. See also: Mercedes-Benz PDF manuals; Mercedes-Benz CLS-Class Mercedes-Benz CLS-class Mercedes-Benz CLS-class – a series of luxury medium-sized four-door coupe, produced by the German brand Mercedes-Benz since 2004. It is the middle link between the E- and S-class. As of 2017, it is represented by two generations: C219, produced from 2004 to 2010, and also C218, which debuted at the end of 2010 and went on sale in early 2011. In 2017 it became known that the company Mercedes-Benz plans to release a new generation of the series. Spy photos of test prototypes were distributed by automotive media in March 2017. First generation (C219, 2004-2010) The Mercedes-Benz C219 is a four-door coupe, the first generation of the CLS-class, based on the concept car of the Mercedes-Benz Vision CLS, presented at the Frankfurt Motor Show in 2003. It is designed on the basis of W211 E-class. The car is produced at the factories in Sindelfingen in Germany. Mercedes-Benz C219 In 2004, at the auto show in New York and Bologna, the CLS 500 debuted. From the autumn of the same year, the model entered mass production. The flagship version of the series was the model CLS 55 AMG, presented together with the usual modification. In 2006 there was a revision of the engine lineup. Gasoline V6 unit equipped with technology of direct fuel injection. The engine of the flagship model from the division Mercedes-AMG was renewed. In 2008, the car suffered a very small upgrade, the entrance of which changed the look of the radiator grille, there were LED rear lights, other rear-view mirrors with LED repeaters "turn signals", as well as new design wheel disks and other exhaust pipes. In 2009, the last changes were made, which affected only the names of models. On July 27, 2010, the last car of the first generation came off the assembly line. Over 6 years of production of the C219 model, more than 170,000 copies of the car were produced. The second generation (C218, 2010-present) Mercedes-Benz C218 – four-door coupe, the second generation of CLS-class. The car is built on the basis of the W212 E-class. The world premiere of the car took place at the Paris Motor Show. Design and technological component of the second generation of the series were worked out on the concept car F800 Style. In Europe, sales of the new version of Mercedes-Benz CLS started in January 2011. It is known that the starting price of CLS 250 CDI in Germany at that time was about 60 thousand euros, and for CLS 350 CDI was asked from 63.5 thousand euros. Even more expensive was the petrol version of the CLS 350 – from 64.6 thousand euros. In November 2010, the company Mercedes-Benz at the Los Angeles Auto Show presented a "charged" version of CLS second generation – CLS 63 AMG. The car is equipped with a 5.5-liter turbocharged V8 M157 engine with a capacity of 525 hp. and a torque of 700 Nm, aggregated with a seven-speed robotic gearbox AMG Speedshift MCT. The CLS 500 models and the sporty CLS 63 AMG are available from April 2011. Mercedes-Benz C218 On October 6, 2012, a family of CLS-class models was replenished with a five-door passenger car with a coupe-van named Mercedes-Benz CLS Shooting Break (factory index X218). In 2014, the series underwent restyling as a result of which it received optional LED optics with MULTIBEAM LED technology, some external changes, as well as many new technological solutions such as COLLISION PREVENTION ASSIST, autonomous cruise control DISTRONIC PLUS, preventive security system PRE-SAFE, electronic Assistants Active Parking Assist, Active Blind Spot Assist, Traffic Sign Assist and many other solutions. The model range of engines was also updated.
